DETAILED ACTION

1. This office action is in response to the RCE filed 04/10/2008.
2. Claims 1, 8 and 15 were amended.
3. Claims 4, 11 and 18 are canceled.

EXAMINER'S AMENDMENT

4. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Anthony Jones (59,521) on 06/13/2008.

The application has been amended as follows:

In claim 1, lines 24-25, please replace "is greatly simplified because it is not possible to create a cycle that causes a deadlock within the given communication network" with -- only creates a deadlock free cycle within the given communication network--.

In claim 8, lines 30-31, please replace "is greatly simplified because it is not possible to create a cycle that causes a deadlock within the given communication network" with -- only creates a deadlock free cycle within the given communication network--.

Allowable Subject Matter

5. Claims 1-3, 5-10, 12-17 and 19-21 are allowed.
6. The examiner's amendment is made in order to clarify certain claim language.
7. The following is an examiner's statement of reasons for allowance: The examiner finds applicant's remarks (02/21/2008 entered through 04/10/08 RCE) to be persuasive in relation to the establishing of a plurality of separate communication networks wherein each communication network communicates on a set of separate corresponding unidirectional communications lines. Each independent claim now includes subject matter directed to this establishment of separate communication networks. Such subject matter in combination with the claimed routing subject matter (mechanism and means) is found to be allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DAVID LAZARO whose telephone number is (571)272-3986. The examiner can normally be reached on 8:30-5:00 M-F.
